Rescheduled to Saturday, 22 December @ 11am Parade to start at 12 noon

Parking in the south lot of Loudoun Valley High School Helmets MUST be worn

Please note that your horses must be able to cope with the people, noise and sights as we will be sharing the parking with floats, as the route is reversed this year.

Please contact **Sharon Nankervis at s.nankervis@me.com** to confirm

TSRC and USTR have had horses in every Holiday/Christmas parade for the past dozen or so years.

Any member wanting to participate in the Purcellville Christmas Parade should contact Sharon Nankervis at s.nankervis@me.com.

If your horse doesn't like the noise of a Parade, you can still participate by helping/volunteering as a sidewalker or banner carrier. Those on horseback will appreciate you being there. Please do not reply to this email. Contact Sharon at s.nankervis@me.com
