

Sponsored by Tri-State Riding Club

# Confidence Building Obstacle Clinic

May 1, 2010 / 9am-3:30pm

(rain date May 2, 2010)

at Rock Hill Farm, Leesburg, VA  
(15483 Limestone School Road, Leesburg, VA 20176)

Bring your horse(s) to introduce, practice or expose them to different situations, or obstacles that you might encounter on a judged trail ride, parade, gymkhana or everyday pleasure riding. Our new venue includes:

- 20+ obstacles. Some old, some new, some with a brand new twist!
- 2 fully fenced grass areas with natural terrain
- 1 water element
- 2 bridges

We provide ground help, if wanted. Within your 2 hour window of time you can work your way through (leading or riding) and gain confidence in your horse's reaction to different situations. Learn how to get through a stressful moment with your horse and help him to gain trust in your decisions.

*County Regulations limit the number of people allowed on the property. TSRC regrets that non-registered participants cannot attend. Any additional ground person must pre-register and pay the full fee to be counted as a participant (drivers, grooms, auditors, children). Sorry, no dogs, please.*

**Cost \$45 for each participant.**

**Register by April 25.**

For registration forms go to [www.tristaterc.org](http://www.tristaterc.org)

For information and questions,

call 540-822-5419 or

[thegs@loudounwireless.com](mailto:thegs@loudounwireless.com).

*Copy of current negative Coggins test and approved helmets are required. Water, apples and carrots will be available.*

*If inclement weather, call 703-795-0486 by 8am the day of the event.*
