Tri State Riding Club was incorporated in 2003 with the mission of helping members develop safe and enduring relationships with their horses. With safety as 'goal one', a lesson program has been developed that addresses correct multi-disciplinary riding and ground work essential to safe horsemanship. Whether you are a Western or trail-riding enthusiast, a competitive event or dressage rider, an active foxhunter or a person who simply loves horses, you will find a program of interest in Tri State Riding Club.

We are TSRC because the majority of the members hail from MD, VA, and WV—but our members can be found as far away as Tennessee. They come for lessons, special clinics, an amazing summer camp series for adults and to enjoy new and old riding friends.

Everyone has something to bring to the riding ring. We have such a wonderful variety of members; business owners, accountants, writers, IT pros and artists. Most have other professions by day and await the "five o'clock whistle" to escape to the barn. It is a special brand of "Pony Club" for men and women over 21 years of age.

Our lesson programs are supported by some of the area's best trainers.

We conduct monthly meetings. You are invited to join us the third Thursday of each month at 7:00 pm in the library of the Marion duPont Scott Equine Medical Center in Leesburg, VA.

Members of TSRC enjoy remarkable and affordable benefits:

- Seasonal weekly lessons for both English and Western riders conducted by some of the area's best riders/trainers
- Two to three lessons per month with an internationally recognized dressage trainer
- Special clinics conducted by successful Advanced Level event riders
- One week adult Summer camps for Western and English riders
- Special fun events including gymkhanas, confidence-building obstacle clinics, group trail rides, quadrille team, faux foxhunting, tack swaps and more

All lessons are held in venues with both indoor and outdoor arenas with excellent footing. We have a schooling field for Beginner Novice and Novice cross-country riders as well as those who need help with trail-riding skills.

At the end of a long, dusty trail, Western Summer campers show off their awards.

Join us and spend some time in the saddle with Tri State Riding Club. We say "You're never too old to horse around".
