

## Lesson Payment Policy

When you register for a lesson or clinic you are committing yourself to attend and pay for the lesson. If for any reason you are not able to attend lesson(s) you have registered for, you may:

1. find a replacement who is a member of TSRC in good standing and is willing to take on the obligation. Please notify your Lesson Director of this arrangement.
2. or contact your Lesson Director and ask that they notify the club of your need of replacement. Notification must be no later than 48 hours before the lesson. Directors need time to broadcast request. You will be notified if a member is able to accept your lesson obligation.

Payment is due within 30 days of receipt of emailed invoice. If there should be a need to discuss payment options, please contact the club treasurer, Liz Shockley.

Thank you for your cooperation,

Tri State Riding Club Board of Directors
